MANAGED AFTER-SCHOOL PROGRAM

*All content and instruction for managed programs provided by Curious-on-Hudson.
Programs normally run 8 sessions per class; variations can be arranged.*

Managed programs include:

- **Rich and diverse offerings developed by our own staff in SCIENCE, TECHNOLOGY, ENGINEERING, CREATIVE and APPLIED ARTS, MAKER SKILLS and more.**
- **A managed curriculum that extends learning opportunities over several terms**
- **Online registration**
- **On-site coordinator (dedicated individual)**
- **On-going program administration**
- **Parent newsletters**
- **Parent program portal**
- **Qualified, trained instructors with NYS/DOE clearance**
- **Program supervision and quality control**
- **Participant IDs (grades K-2)**
- **Parent ID cards for authorized dismissal**
- **Programs for K-Middle School**

Schools with fewer students may run fewer classes. To have an on-site coordinator assigned to your school, the program must involve at least five classes.

Rates per class vary based on specific details of the program. Our programs have been funded privately by families as well as through district and parent organization funding. Curiositas, our non-for-profit affiliate may assist in securing grants to fund programs where needed.

Who We Are

Curious-On-Hudson offers engaging inquiry-based classes led by professionals in science, technology, engineering and the applied arts. Our offerings include STEM and STEAM-based enrichment as classes and summer camps. We offer programs at our location and at off-site locations based upon the needs of the communities we serve. The key distinguishing factors of our organization is the belief that all children, regardless of background and means, possess a natural enthusiasm to explore and that by pairing highly passionate instructors with interesting

and engaging curriculum, we can uncover the authentic interests of each participant in our programs.

Curious-on-Hudson LLC is a privately-owned company, incorporated in the State of New York. EIN# 46-1386245;

Curiositas, Inc. is a non-for-profit organization affiliated with Curious-on-Hudson.
